

Earn College Credit in Your Career and Technical Education Courses

You could be earning college credits at ICC and many other NC Community Colleges
at no cost!

The following Career and Technical Education High School courses could help you
earn free college credit at ICC:

- Agricultural Mechanics I and II;
- Allied Health Science II;
- Construction Technology I and II (must have both);
- Drafting I, II (Architectural and Engineering), and III (Engineering);
- Early Childhood I and II (must have both);
- E-Commerce I and II;
- Electrical Trades I and II (must have both);
- Computer Engineering Technology;
- Marketing and Marketing Management (must have both);
- Parenting and Child Development.

How do you receive free college credit at ICC?

- Register for one of the Career-Technical Classes.
- Earn a scaled score of 93 or above on the CTE Post Assessment test and receive a
B or better in the class.
- Complete the Articulation Agreement Form when you are a senior in high school.
 - Complete the application process to ICC in a related major and attach the
Articulation Agreement Form.

The above information pertains to ICC only. If you wish to receive college credit for
Career-Technical courses you have taken in high school, contact the Registrar at the
community college to which you are applying.
